#### Your gifts bring joy to hurting people like Paul at Christmas and all year round.

On Page 3: Read how your partnership and prayers gave him the courage to walk the long road to recovery.

## **Gewithout the Mission, I'd be dead.**

Paul found salvation in the unlikeliest of places. After his drug use left him homeless and broke, he was standing on a train platform when he saw the phone number for the Mission. Paul decided to call because he had no place to stay, and that was when everything changed.

"I swore I would never use heroin or hard drugs like that, but after my mom passed away, I went off the deep end. I hurt everyone I ever loved and ruined everything. I got out of prison and was sick, tired and broken. I talked to a Mission intern and he said, 'Just come in to the Mission.""

Paul found physical healing from a back injury that plagued him, but more importantly, he found spiritual healing at the Market Street Mission. He enrolled in the year-long Life Change Program and wholeheartedly committed to rebuilding his life on God's Word. **Here,** 

#### through your gifts, he was blessed with the essentials of safe shelter... nutritious meals... and everything he needed to feel comfortable and at home.

"My journey here has just been amazing. I hadn't talked to family or friends in over 10 years, but through the Mission, I got friends and family back, my grandchildren, my daughters."

Paul recently graduated from the program and is looking for transitional housing and a place to live. He hopes that someday he'll have the opportunity to work at the Mission so he can share his story with others and impart the wisdom he has gained.

This Christmas, as Paul celebrates Christ's birth, he'll also celebrate the joyous new life he found inside our doors... because of your kind compassion. **"The mentors** and the relationships that I've made through this place are unbelievable. The love, affection and caring that the Mission showed me, I'll never be able to repay."

DISCOVER WHAT'S HAPPENING AT THE HOLIDAYS!

Your generous contributions are not only blessings in themselves, but they're multiplied exponentially by the countless gifts they allow the Mission to share with those who are hungry, hurting and homeless.

The food, shelter and clothing we provide are gifts that fulfill the most basic human needs. Guidance, education and job training are gifts too – and when accepted with commitment and dedication, they can lead to lives filled with promise and purpose.

#### Yet the greatest gift we offer inside our doors is the message of God's love and grace, which can transform lives for eternity.

This issue of *Market Street Mission Messenger* is all about sharing gifts – a subject that's especially appropriate during the holiday season as we prepare to celebrate Christ's birth. Yet the Mission is focused on giving all year long, thanks to God's work and our partnership with friends like you!

Of course, none of our ministries would be possible without the gifts you first give to us. And I'm so very grateful for your selfless giving, which brings joy to our hurting guests – at Christmas and every day of the year. God bless you this holiday season and always.
